

SOUTHWEST MEDINA CO.  
SPENCER

Rev. Monte attended the sessions of the Ohio State S. S. convention at Marion, as the Spencer township delegate and reports the convention one of the best in years. The sessions of 1918 will be held at Springfield.

J. H. Firestone is shipping several carloads of hay.

The regular monthly session of the W. C. T. U. was held at the McCourt home last Monday night, about 35 members being present. The program of the evening was of special interest, enlivened by song selections rendered by Miss Elsie Fuller, Seth Nichols, Mrs. McCourt and Miss Brown. Several good reports from different committees were listened to by all, while Mrs. Ada Brown told us of the Chippewa Lake picnic held last week at which time the contest prizes were distributed.

Rev. Monte reported some very interesting items from the great Marion dry gathering, at which Mrs. Richards, the state secretary, was the speaker, while Rev. Bennett made some remarks on the topic of the evening "The Coming Citizen." Dr. Monte asked the ladies to support him in the coming dry campaign by the distribution of literature and the ladies readily assented to the call. After the close of the business session a nice repast was served to all present.

In the two months membership campaign at the M. E. Sunday school the superintendent announced last Lord's day that the beginner's class, Mrs. Minnie Aldrich, teacher, had carried

off the honors and in a few weeks an ice cream social and entertainment will be held at the town hall at which time the little fellows will be the guests of honor.

The subscription to the Red Cross fund under the direction of the board of Sunday schools at the M. E. church, amounting to about \$75 is hereby acknowledged with thanks by the pastor.

The ladies of the W. C. T. U. will knit caps for the Red Cross, to be used by our boys in the trenches and upon European battlefields this coming winter. The appeal made by the Red Cross authorities is very urgent, although we are still hoping that the articles will not be needed by our brave American boys.

At the school board meeting on Monday night, Henry Auble was engaged as janitor for the school year, 1917-1918.

The Carpenter family, accompanied by Mrs. Sooy of Wellington, were Lorain callers on Wednesday evening.

The Misses Amy Firestone and Evelyn Winters spent several days in Akron with friends, returning on Thursday.

Mrs. E. L. Powers and daughters from Marion, Ala., are visiting at the George Betz home. Mrs. Powers will be remembered by her former friends, being a daughter of Mr. and Mrs. Geo. Betz.

S. Billman is one of the busiest merchants in town. Within a week he sold and delivered three loads of furniture to Elyria parties.

Wm. Wolf of the Spencer Elevator Co. is the latest victim of autophobia. Stroup Bros. sold him one of the late Henry Ford models.

A congenial party, consisting of the

Jacob Broward family, accompanied by Mr. and Mrs. Jno. Rowe, Mrs. Vanderhoef and Miss Florence Curtice, spent the glorious Fourth at the Chadwick home, east of town.

S. Billman had charge of the funeral of the late Shannon Hart of Sullivan, O.

One of the social events of the season was the celebration of the 50th wedding anniversary of George and Mrs. Betz on Tuesday afternoon at their pleasant home on N. Main street. Besides the family, about 25 Akron and Barberton friends, as well as 75 Spencerites made the bride and groom forget that they had passed the 50th milestone of married life. The Ohio Farmers' orchestra from Leroy, gave a splendid musical recital during the reception from 2 to 5 o'clock. The floral offerings were magnificent, roses and carnations in profusion decorated the rooms and the spacious porch. Refreshments were served to all who called. The arrangements were perfect, whereby the friends had been invited by mail to call at certain hours, thus relieving the strain upon the happy couple. The bride and groom were in fine spirits and promise fair to see many pleasant annual changes. Many valuable presents were received from friends and relatives, some splendid cut glass, two fine Taylor rockers and last but not least, \$55 in gold of the realm. While this gathering was in the nature of a surprise, yet the aged couple were equal to the task. At one time we noticed Uncle George stepping pretty lively to the tune of an old-fashioned Virginia reel. To the bride and groom we extend our heartiest congratulations. The aftermath of the affair was a surprise auto ride given by the children on Wednesday, which culminated in a trip to Chippewa Lake.

Regular services next Lord's day at both churches; S. S. at 10; sermon at 11; evening sermon at the M. E. church at 7:30.

## CHIPPEWA LAKE

Mr. Alvin Ritter and family of Akron visited at the home of Mr. Ritter's family, Mr. and Mrs. A. S. Ritter, Sunday.

Geo. Koppes is grading the strip of road from Townsend's south to the township line, preparing it for slag stone.

Tom Phillips, manager of the tile mill has bought the Richard farm upon which the mill is located. A new pit will be started soon and the plant will be greatly enlarged at once. Mr. White of Wadsworth, who has been connected with the Wadsworth Brick works has gone in as a stockholder in the concern. Twenty-five men will be employed there soon. This old mill coming back to life will greatly help our town. The mill has been laying idle for some time. This should not have been. There is an unlimited amount of shale and clay there. The firm expect to turn it into a very paying proposition.

Geo. Harper who has been layed up with a broken bone in his foot has recovered and is now able to be about again.

Dale Adams, who is employed in the Jess Willard Wild West show was at home for the week-end.

The Woman's Bible class of the U. B. S. S. Mrs. Alta Anheart, teacher, held a very interesting meeting at the church last Thursday afternoon. The object was to receive reports and plan for the future. Ice cream and cake were served.

Miss Dorothy Derhammer and cousin of Lakewood visited Miss Dorothy's grandmother Monday and Tuesday.
